

Saint George's Episcopal School Birthday Book Club Library Donation Program

Parents, grandparents, or other relatives of children may recognize their child's special birthday through a donation to the St. George's Episcopal School Library via the Birthday Book Club.

For a donation of \$20.00 per book your child can be honored during a celebration chapel close to their birthday. Fill out this form and return it to your child's homeroom teacher or the SGES office. Send no money now, you will be invoiced later. Once received in the library your child will be asked to come and select a new library book of their choice from recently ordered titles. Then a book plate label will be affixed to the inside cover recognizing the donation and the child's special occasion. Your child will then be recognized at celebration chapel and will receive their special book to take home for an extended period before returning it to the library.

Your gift is greatly appreciated and helps to maintain the most current literary collection possible within the library while honoring your child at the same time.
